Disclaimer

This Material Safety Data Sheet has been developed according to the NOHSC National Code of Practice for the Preparation of MSDS (NOHSC:2011(2003))

The data, information and recommendations herein (“information”) are represented in good faith and believed to be correct as of the date hereof.

The purpose of this Material Safety Data Sheet is to describe products in terms of their safety requirements. Pure Animal Wellbeing Pty Ltd make no representation of merchantability, fitness for a particular purpose or application, or of any other nature with respect to the information or the product to which the information refers (“the product”).

The information is supplied upon the condition that the persons receiving same will make their own determination as to its suitability for their purposes prior to the use of the product. The physical data shown herein are typical values based on tested material. These values should not be construed as a guaranteed analysis of any specific lot or as guaranteed specification for the product or specific lots thereof.

Due care should be taken to make sure that the use of or disposal of this product and/or its packaging is in compliance with relevant Federal, State or Local Government regulations.
